THE RECTOR: Interregnum

ASSISTANT PRIEST HUNSTANTON & SAXON SHORE BENEFICE:

The Rev'd James Monro Tel 01485 518342

RETIRED CLERGY: The Rev'd Phil Unsworth Tel 01485 532436

The Rev'd Sandra Ellison Tel 01485 298852

Dear Friends,

I wonder what comes to mind when we think of the month of June? Perhaps mid-summer, the longest day, the summer solstice, father's day, the birth of John the Baptist, amongst others. This year the first Sunday of June is Trinity Sunday - God as three in one. God as father or parent, God as son or child, God as holy spirit or helper. In the relationship of the Trinity we see the working of a perfect loving equal relationship.

Within our own lives we live and work in relationships. In many of these relationships we expect one person to be the boss or the head with authority over others. Within the Trinity many have held that God is head over Jesus (son) and the Holy Spirit. This is because of a misunderstanding of the word head used in the bible in New Testament times. The Greek word for head is 'Kephale.' According to Liddel in the Greek-English Lexicon covering new testament times, head means source, origin, starting point, it does not mean chief or having authority over. The early Greek biblical scholars held that Father, Son and Holy Spirit are equal in goodness, power and love. Each part of the Trinity has a different role which is exercised in equal respect and love. Whatever our role in our many relationships, are we able to hold this understanding of equality, respect and love?

Until Roman times the summer solstice was celebrated on 24th June although the longest day - in the northern hemisphere - is 21st June. With the shortening of days and the thought that the sun was becoming weaker, fires were lit on the eve of mid-summer's day to praise, encourage and strengthen the sun to stop it 'losing power'. A good harvest depended on the sun. Domestic beasts were also blessed at this time by walking them around the fire. Although we may no longer believe that these traditions may influence the sun we know that our relationship with the earth can influence the effect of the sun.

Another belief was that the sun was 'all powerful'. Activities such as sport, trials of strength and horse riding were held. This was believed to encourage growth of crops - the highest height jumped would be the height of the harvest. The only participants were men. This was the beginning of father's day, which continues to be celebrated on the Sunday before midsummer's day. Father, and those in the role of fathers, is a relationship that at its best shows that of the Trinity of respect, equality and love.

The bible tells us that John the Baptist was born 6 months before Jesus. With the adoption of Christianity the birth of John the Baptist was (and is) celebrated on June 24th. St John's Eve (like the eve of many festivals) was seen as a time when powerful forces were around.

Our traditions and understandings may change, they may be different from those we find ourselves in relationship with - at work, in the community, with this world and nature, in our families, at church or amongst friends. In his relationship with others Jesus was able to show the way of the Holy Trinity. He treated all people with respect, equality and love. When he needed guidance he prayed to God, and listened to those around him. At times he changed his understanding - remember the Samaritan women who explained to him that his ministry was for all people and not just the Jews? When our relationships follow that of the Trinity they bring respect, equality and love to ourselves and those around us. When they do not then we need to find space and time to think, someone to talk to. Even when we are doubtful to whom we speak when we pray, voicing our concerns and issues can open new directions or new ways. I pray that we can all use the longer days of June to uphold and enhance our good relationships and to find time to examine those which are not so good.

Rev Sandra Ellison

THANKSGIVING SERVICE

A Thanksgiving Service, after a private cremation, was held at St Mary's Church, Burnham Deepdale on 31st March for JOHN HIGHMOOR who died, aged 93, on 17th March 2023. The family are very grateful for all the support and donations they received, enabling £700 to be split between Tapping House and The East Anglian Air Ambulance Service.

NEWS FROM BURNHAM DEEPDALE CHURCH

An Update on the Internal Redecoration

Kaywood Design and Build began work on time just after Easter and it has continued to progress well. The estimated time for completion of the interior work is mid-June. To allow for unexpected set-backs and the need to thoroughly clean the church, we plan to have our first service on **Sunday 25th June**. This will be a 9 am Holy Communion following our usual pattern. Do come and join us in celebration of the completion and being able to worship together again. The church will be open again to visitors from this date.

Plant Stall

We continue to fundraise for the church maintenance with the Plant Stall at Deepdale Farmhouse gate. Thank you so much to everyone who has donated or purchased plants from the stall. They make a significant contribution to our funds. To date we have raised over £275 so far this year. I have been given a huge number of small to medium sized plant pots. I would be delighted to give you lots if you need any!

Books in the porch

We look forward to having second-hand books for sale in the church porch. However, as we have a wedding on 8th July we would prefer to receive them after this date, as we always empty the porch of books for weddings.

ST MARY'S CHURCH, TITCHWELL

I am sure that everyone will want to join me in a vote of thanks to all the organisers and participants in our celebratory get-together on the green outside the church the day after the coronation. The sun shone, and the big tent that was put up in anticipation of rain provided some welcome shade instead! An occasion like that certainly brings everyone together with a sense of community in a special way in a village, as it also did for our nation itself.

In the grandeur of our ancient coronation ceremony, we saw homage paid to King Charles, who in turn acknowledged that he himself is under the authority of the High King of All. Perhaps then it was no coincidence that the reading for our service earlier that Sunday was from the First Epistle of Peter reminding us of how the Church is a community built of living stones, with Jesus Christ as the foundation and cornerstone.

Sunday Services for June Please see page 2 for details.

Stillness on the Saxon Shore

We meet at 4 pm on **Friday afternoons** for forty minutes of contemplative worship, the first Friday of the month being a longer period of silence. All are most welcome.
With my prayers and best wishes for you all,

James Monro (Assistant Priest, Hunstanton and Saxon Shore benefice).

NEWS FROM THE HUNSTANTON FOODBANK

The foodbank continues to support local people in need, and grateful thanks are due to all our kind donors, particularly as we know just how sacrificial giving at this time can be.

We are a small organisation compared to some foodbanks, but we gave out just over nine metric tonnes of food in 2022 and demand shows no indication of slackening off. The current financial crisis and high inflation, particularly in the price of food, is causing real hardship for many.

At present we would be particularly grateful for donations of tins of meat, custard, fruit, rice pudding and spaghetti rings, as well as breakfast cereals, UHT milk, fruit squash and toilet paper. We have a collection point behind the check-outs in the Hunstanton branch of Sainsburys and in the shop at Burnham Deepdale - our thanks are due to both shops.

We are also looking to appoint new trustees, and anyone who is interested in the possibility of supporting our charity in this way is invited to email me: alexander.monro@btinternet.com.

James Monro (Chair of Trustees, Hunstanton & District Foodbank)

BRANCASTER CHURCH CORONATION FLOWERS

Brancaster church flower team would like to thank the team from Burnham Deepdale for their help and contributions to the coronation celebration. The church had a splendid display of flowers in red white and blue! Many thanks. Virginia

NEWS FROM THE SCHOOL

Usually the children write this piece but this month I wanted to say a HUGE thank you to everyone who made donations to the school following our request on Nextdoor. We received sufficient to send all Thrift Class to Holkham and the resulting trip fund should see us through all the other trips in the pipeline. At the end of June the school are honoured to have been invited to sing at the Norfolk Show and, as part of our topic “Sun, Sea and Sand”, we hope to arrange a trip connected with that. The children have done a thank you to everyone and this thank you, plus trip photos are on our blog: <https://www.stmaryfed.org.uk/class-page-thrift>. Not only does the money make a huge difference to what we can offer our children, but it is also lovely to know how you, the community, want to support us.

Our next venture is our raffle, tombola and cake stall at The Jolly Sailors Ale and Beer Festival on **Saturday 17th June**. This is traditionally the PFA’s biggest fundraiser of the year, so put the date in your diary and we hope to see you there. If you haven’t been before, the local businesses are always really generous and the raffle prizes are usually well worth winning!

We are also looking forward to a picnic up at School Farm, courtesy of the Smith Trust. This has become an annual event and much appreciated by all. Not only do we get a picnic but we have lots of exciting educational (and fun!) activities planned.

Thrift Class have been gardening all term – again, photos and a thank you letter are on the blog. Thank you to everyone who has supported this project, which will, of course, be ongoing throughout the term.

We enjoyed our coronation celebrations in school, and it was fantastic to see so many families able to come and share these with us - thank you. A big well done to the children for their fabulous singing of the special coronation song and to the PFA for supplying a wonderful spread of treats for us all to enjoy. We hope everyone enjoyed celebrating this very special occasion as much as we did.

School closed for half-term from Friday 26th May, reopening Monday 5th June.

NATIONAL COASTWATCH INSTITUTION BRANCASTER (NCI BRANCASTER)

NCI Brancaster is a member of the National Coastwatch Institution which was founded in 1994. It is one of six stations operating in Norfolk and was established on its permanent site at The Royal West Norfolk Golf Club in 2022. The station is currently staffed by 27 watch keepers and undertakes a critical role in keeping Brancaster beach and coastal waters - which can be very hazardous – safe for all users. The service works closely with the Royal National Lifeboat Institute and the Maritime and Coastguard Agency as well as other emergency services. In its short life NCI Brancaster has, by responding proactively, made an immediate impact by reducing the number of RNLI callouts.

This important service has already attracted strong support from the community and it is crucial that this continues in terms of additional volunteers and resources to purchase a new watch office (the current building is second hand, and in many ways unsuitable for the long term needs of the service) and vital equipment to carry out tasks. If you would like to know more or investigate being a volunteer, please contact Richard Burrows, Deputy Station Manager, on 07535 612 777 or email richard.burrows@nci.org.uk. NCI Brancaster is a registered charity no. 1159975.

Preferred method of contact is by email to the Secretary, Diana Bamber – bamber344@btinternet.com – who will send the guide as a PDF. Alternatively please call her on 01485 518029. When the Society has a property available it will be advertised in the Parish News. Please note we do not hold a waiting list.

BRANCASTER & STAITHE HOMEWATCH

With the price of fuel rocketing, it is no wonder that thieves are on the lookout for easy pickings. Unfortunately some situations do offer themselves as potential targets and the police advice on what we can do to provide additional security is, if possible, provide security lighting, lock gates when you are out, ensure perimeter fence is not easy to climb, invest in an approved tank alarm.

As always, if you spot something unusual, call the police on 101, providing as many details as possible, such as descriptions of people and cars, including number plates. But if you believe a crime is in progress, then always dial 999. If you do not wish to leave your details, you can call anonymously, or via Crime Stoppers 0800 555 111 - your call is free and confidential.
